## Weinstein appears in court: Not guilty plea

HARVEY Weinstein has pleaded not guilty to rape and criminal sexual act charges at a court hearing in New York.

The 66-year-old film producer appeared at a Manhattan court for yesterday's hearing, his first public appearance since he was first charged less than two weeks ago.

He was accompanied by his lawyer Benjamin Brafman as he arrived to a crowd of reporters and photographers.

Mr Brafman previously said that the filmmaker intended to enter a plea of not guilty against the charges, which relate to two separate women.

After Weinstein (above) was charged on May 25, Mr Brafman said in a statement outside the Manhattan court: "We intend to move very quickly to dismiss these charges."

"We believe that they are constitutionally flawed. We believe that they are not factually supported by the evidence and we believe that by the end of the process, Mr Weinstein will be exonerated."

Weinstein's not guilty plea comes after he was indicted by a grand jury on the charges – rape in the first and third degrees, and a criminal sexual act in the first degree – last Wednesday.

He is currently out on a one million dollar (£751,060) bail, and must wear an electronic tracking device at all times.

Weinstein denies all allegations.

# KILLJOYS BAN MISS AMERICA SWIMSUITS

## Goodbye to all this!

**BAD news, fellas.** Whingers have decided to scrap the best bit of the Miss America beauty competition – the swimsuits!

Organisers say they will no longer judge contestants on their appearance.

So maybe in the future, it's possible a beauty like Roseanne Barr could be crowned Miss America!

The competition began nearly 100 years ago in Atlantic City, New Jersey, as a bathing beauty contest designed to keep tourists coming to the seaside resort in the weekend after Labour Day.

It has run into resistance as the swimsuit and to a lesser extent the evening gown competitions have come to be seen by some as outdated.

Gretchen Carlson, a former Miss America who is head of the organisation's board of trustees, made the announcement on *Good Morning, America*.

She told the audience: "We're not going to judge you on your appearance because we are interested in what makes you you."

# CHRISTINE STALKER DID SEND SICK TWEETS

**A STALKER** who admitted harassing TV presenter Christine Lampard faces jail after sending her "very nasty" tweets, a judge said yesterday.

Christof King, 39, pleaded guilty to stalking last week, but he disputed the sending of the tweets.

King – who wanted career advice from Christine – sent tweets and letters and turned up at her house on more than one occasion, causing her to hide in a bedroom with the housekeeper.

Giving evidence from behind a curtain on Monday, Christine said several tweets were "incoherent waffle", with some tagging her employer ITV and her husband Frank. "Several tweets became quite sinister and dark," she added.

Christine said these tweets made

her pay attention, adding that another reason she noticed his tweets was because "there was so many of them".

### Crucifixion

One tweet he is alleged to have sent said: "I can hear the scratch of nails as I sharpen them ahead of your crucifixion."

The court heard another tweet said: "I am planning the words that will go on your gravestone."

After a hearing on the matter of the tweets, Judge Robin Johnson ruled yesterday at Isleworth Crown Court that King did indeed send Christine tweets.

He said: "There is clear evidence he has delusional tendencies. In my judgment I accept that Mrs Lampard is truthful and accurate."

"I accept that she received tweets from Christof King in 2015 and that these included

## Now judge tells him he faces jail

some very nasty remarks.

The judge said he would consider her assessment of the tweets – which she described as "dark" – an understatement.

He said of King: "He is clearly someone who swings in mood during the course of a letter for instance. I don't rule out a prison sentence."

King, from Brent, north London, who changed his name by deed poll from Jon Dunningham in April 2016, said he did not set up the account that Christine said the tweets came from and insisted that he did not send the tweets.

He denied ever

creating or using the account under the name @Christ\_of\_King, and said the only account he has ever had is @Christof\_King.

Mr Dunham said it was never made clear why King blamed her for the situation he found himself in.

### Obsessed

He said: "There is no doubt that Mr King was utterly obsessed with Mrs Lampard."

He said the most obvious example of this was King's visit to Belfast one Christmas in the hope of meeting Lampard.

King was bailed for sentencing on July 27.

## Heathrow 3rd runway to trigger court fight

THERESA May has been warned she faces a battle in the courts if MPs back Government plans for a third runway at Heathrow.

The warning came as Transport Secretary Chris Grayling (above) announced that, after years of wrangling, the Cabinet had finally given the green light for the expansion of Heathrow to go ahead.

After the Airports National Policy Statement was formally laid before Parliament, the Department for Transport confirmed there would have to be a Commons vote by July 11.

Despite the strong opposition of a number of Tory MPs with

constituencies around the airport ministers appeared confident of winning.

But Simon Dudley (above), the leader of Windsor and Maidenhead Council, said they were among four authorities who are considering legal action along with the environmental group Greenpeace.

He said: "If it doesn't satisfactorily address concerns, then if MPs vote in favour of adopting this National Policy Statement, that opens up a six week window to a legal challenge and there will be a legal challenge."

In his Commons statement, Mr Grayling said: "The time for action is now."

# Corrie Kym's Love Island sex ban

**CORONATION** Street

**BANNED** her daughter  
from ever going on  
*Love Island* and having  
**SEX** on telly.

The star, 41, who plays  
Michelle Connor on the  
cobble, says she'd never let  
20-year-old daughter  
Emilie shag on TV.

Kym said: "The new  
series of *Love Island*

the contestants have  
said that their parents  
have told them it's okay  
for them to have sex on  
the show.

"There's no way I'd  
give my consent for  
Emilie to do that. Not  
in a million years. And  
why would you even  
want to? It would be so

"I find it all really

## CAROLINE'S SCORED BIG ON FIRST NIGHT

THE launch episode for the  
new series of *Love Island*  
scored ITV2 its biggest

the channel began.

The episode, hosted by  
Caroline Flack (right), aired  
from 9pm until 10.35pm on  
Monday, and was watched by  
an average of 2.9m viewers  
with a peak of 3.4m, according  
to overnight ratings.

This is more than double the

series of the reality dating pro-

of 1.3m viewers.

ITV said the broadcast was  
the highest-rated programme

## Cheryl 'set to open up about Liam'

POP babe Cheryl is reportedly gearing up to dish all the details about what *really* goes on in her relationship with toyboy Liam Payne.

Hitmaker Cheryl, 34, is said to have grown tired of his outbursts about their private lives and is ready to get her own back on the 24-year-old father of their son, Bear.

In the past, Liam has joked about Cheryl being "old" and has retold a whole host of cringeworthy stories to the world's press.

Unimpressed, Cheryl is said to be ready to give as good as she gets and is preparing to spill the beans about their private life.

A source said: "Cheryl has told Liam that she's not afraid to speak up anymore when it comes to spilling details about what really goes on between them."

"She's tried to protect them in the past, but now sees that it might be a good idea to start telling it like it is."

"She's been left red-faced by the things he's said in interviews. She hopes speaking out will make Liam pull his socks up."

## NHS tackles 2m sex change ops

MORE than two million Brits may be getting a sex change op on the NHS, a health boss said.

James Palmer, the medical director for specialised services at NHS England, said up to three per cent of the population would make contact with transgender health services at some point in their lives.

And he reckons more money needs to be spent on meeting the needs of people who want to go from he to she vice versa.

Based on current population estimates, this would mean 1.97m people in the UK using gender identity services, with around 1.6m of these living in England.

Mr Palmer said: "There are 7,500 adults waiting for an appointment with our services. No other specialist service has seen this growth."

# YOU'RE A MASSIVE COCK, PIERS!

## Footie legend Neville slams him over Raheem tattoo comment

OUTBURST: Neville Southall

**FORMER** Everton legend Neville Southall has sparked a huge row with TV loudmouth Piers Morgan after calling him a 'massive cock!'

The ex-goalkeeper was talking about England winger Raheem Sterling's controversial tattoo of a machine gun when he compared the *Good Morning Britain* presenter to a huge Johnson.

The 59-year-old Wales star said: "That was brought up by some prick. Piers Morgan is a prick. What gives him the right

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

to say what can be on your body? If Sterling had tattooed a massive cock on his leg I would say, 'It reminds me of Piers Morgan'."

### Bitter

That caused Morgan, 53, to hit back, saying the two-time league winner was not fit to clean Arsenal keeper David Seaman's gloves.

He said: "I was exercising the same right that Mr Southall has to call me a 'massive cock'. 'It's called free speech. To be fair, if I wasn't good enough to

clean David Seaman's gloves, I'd be this bitter too."

The Arsenal fan's response caused an outpouring of support for Southall on Twitter with even rival Liverpool fans backing him.

EuanRCD wrote: "Im a Liverpool fan and @NevilleSouthall is the best British keeper I've seen in my lifetime. Easily better than Seaman."

While Mark McKeown added: "@NevilleSouthall won football writers award and was a Ballon

d'Or nominee, both very rare for keepers - different league to Seaman!"

But Morgan doubled down saying: "Only one of them was called 'Safe Hands' & he wasn't called Neville."

## Manhunt as woman and baby stabbed

THE stabbings of an 11-month-old baby and a 32-year-old woman sparked a massive police manhunt yesterday.

Rehan Khan, 25, was wanted for attempted murder after the baby boy was left in a critical condition in the attack in Feltham, west London. The woman's injuries were not life threatening.

Members of the public have been advised not to approach Khan (*above*) but instead to call 999 if he is seen.

Police are trying to work out whether he was staying at the house where the attack took place. They say he is known to the victims.

A neighbour told reporters: "I heard a lot of screaming and crying, it was quite distressing to hear."

Officers flooded the area and police dog handlers were at the scene.

A large blood smear could be seen on the white wall at the entrance to the terrace house, which was cordoned off.

Josie, who had a miscarriage last year, said she is considering the names Diggory or Jack for her son when he's born.

ON TRIAL: Luke Quatrini (*above*) denies stealing money to pay for boob job

# MAN 'CONNED GRANDDAD, 92 OUT OF HIS LIFE SAVINGS TO PAY FOR LOVER'S BOOB JOB'

**A MAN swindled his own 92-year-old grandfather to pay for his girlfriend's boob job, a court heard.**

Luke Quatrini, 34, is said to have conned his grandad out of his life savings to put down a £500 deposit for breast surgery for Emma Hodges.

The blonde aspiring model later posed for racy shots wearing skimpy outfits.

### Hairdresser

A court heard Mr Quatrini used Clifford Bartlett's bank card without his permission to pay for the boob job deposit.

Hairdresser Emma, 29, had the breast enhancement surgery after Mr Quatrini allegedly used the stolen money for the £500 deposit.

The court heard £3,000 went missing from the life savings and left retired docks worker Mr Bartlett without

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

money to pay household bills. Mr Quatrini is also accused of using his grandad's card to pay for Ryanair flights, online shopping on Amazon, hiring portaloos toilets and building work.

In total, he is accused of fraudulently spending more than £1,000.

Prosecutor Emma Harries said the crimes took place over a period of 10 months after Mr Quatrini moved in to his grandfather's house in Newport, South Wales, in 2012 after there had been a fire at his own home.

Newport Crown Court heard former docks worker Mr Bartlett – who died last year – broke down in tears after believing his own family was stealing from him.

His son Michael said: "He was really upset."

"He explained that a few days before, a letter had come from his building society to say that one of his standing orders, it was for his electricity, had been rejected and that there was no money left in his account."

### Fragile

"Over £3,000 had gone missing from the account. Nobody could understand why."

Mr Bartlett said that his father was "fragile physically but mentally he was very good".

The jury heard Mr Quatrini's father Vincent Quatrini and his brother Richard Quatrini have pleaded guilty to defrauding Mr Bartlett.

Luke Quatrini, of St Julians, Newport, South Wales, denies five counts of fraud.

The trial continues.

## Brit boxing ace cleared of terrorism

A FORMER British boxing champion has been cleared of encouraging terrorism in a YouTube rant against Starbucks, Coca-Cola, and McDonald's.

Muslim convert Anthony Small, 36, had denied anyone would be moved to commit acts of terror by his "light-hearted poetry," which was published on September 12, 2016.

A jury at the Old Bailey deliberated over three days to find Small (above) not guilty.

Jurors had viewed a video in which he talked about the influence of America and Israel in the world. He spoke of military and commercial influence through "McDonald's and Cola-Cola signs" and former aerospace manufacturer McDonnell Douglas. He said the choice was to "either accept the flame-grilled burger or we are going to flame-grill you from the sky".

Small, of south-east London, a former British and Commonwealth champion, also found fame in BBC Two's *Muslims Like Us*.

# OLYMPIC GOLD BOXING BABE'S DAD SHOT IN GYM ATTACK

THE father of Olympic boxing gold medallist Katie Taylor has sustained serious injuries in a shooting, police said.

Pete Taylor, 57, was at Bray Boxing Club in Bray, Co Wicklow, about to

By MICHAEL McHUGH [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

start a session with up to 20 people shortly before 7am yesterday, when the attack happened.

A 30-year-old man was killed and another, aged 35, was injured, Irish police said, in an attack which came "out of the blue".

The club was where Taylor – Ireland's Olympic, European and World champion – began her career.

### Handgun

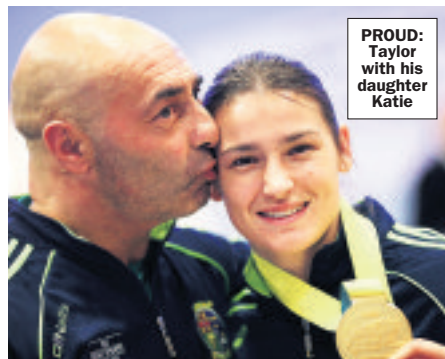

The gym was established by Mr Taylor and Katie went on to win gold at London 2012.

A gunman wearing a balaclava or helmet and armed with what police believe was a handgun entered the gym. One man died at the scene, Garda Supt Pat Ward said, and two others were hospitalised.

He said: "We are not giving out full details of the injuries received. What we can say is they are not life-threatening. They are

very, very serious but they are not life-threatening at the moment as we understand it."

The assailant may have been wearing a hi-vis yellow jacket.

Mr Ward said detectives were still working to establish a motive, saying police were not sure whether the attack was targeted or indiscriminate.

They were not aware of any pre-existing threats to any gym member. Mr Ward said the dead man was attending a regular fitness session.

"This man was just using the gym like anyone else before he was unfortunately killed," he said.

He added: "It was a normal

session on a normal day and it was being undertaken by people who normally undertake that session in the early hours of the morning.

"This came totally out of the blue. It was a normal day for all of those people in the gym."

He said it was unclear whether the gunman had an accomplice, adding: "We know one person entered the gym and came out and made their getaway in that silver VW Caddy with a Northern Ireland registered number."

"We don't know if there was anyone else in that van with him. That's something that we are trying to find out."

SKY News must be sold if 21st Century Fox, owned by Rupert Murdoch (*above*) is to secure Government approval for an £11.7bn takeover of Sky.

Culture secretary Matt Hancock said yesterday that in order to address the concerns of the Competition and Markets Authority, he favours "divesting Sky News to a suitable third party".

The CMA raised the possibility of "increased influence of the Murdoch Family Trust over public opinion and the UK's political agenda" should Fox get its hands on Sky News.

Mr Hancock told Parliament he will now consult before making a final decision.

But he said if terms of a sale of Sky News cannot be agreed, the "only effective remedy now would be to block the merger altogether".

A separate £22bn bid for Sky from U.S. broadcasting giant Comcast was cleared, setting the stage for a bidding war with Fox

**UP FOR GONG:** Catherine gets Order of Merit from Her Majesty

## THE Queen has given the thumbs up to sex workers after awarding an ex-hooker the title of dame.

Former prostitute Catherine Healy, 62, received the coveted gong in the Queen's Birthday Honours list.

She was recognised with an Order of Merit for services to the rights of sex workers.

Catherine was instrumental in bringing about a new law back in 2003 which gave full employment rights to sex workers in New Zealand.

She said: "I was startled when this was offered. I'm in shock."

"I think even a few weeks ago I wouldn't have thought this was possible. It's indicative of a shift in people's attitudes and it's lovely to feel supported."

Catherine worked as a primary school teacher

before becoming a sex worker in the 1980s.

She says she was shocked at the lack of protections in place, especially after coming from the unionised profession of teaching.

## Rights

She said: "We were spoken about as young sex workers in a disrespectful way."

"We needed to find our voice and we needed to be understood."

In 1987, Catherine formed the New Zealand

Prostitutes Collective  
which advocates for sex  
workers' rights.

It helped draft the Prostitution Reform Act, which was passed in 2003 and allowed brothels to operate as legitimate businesses.

## Nuclear sub search behind Titanic find

**THE secret true story of the discovery of the Titanic has finally been told.**

US Navy commander and oceanographer Robert Ballard found the wreck on the floor of the North Atlantic Ocean in 1985.

Through an exhibition, called *Titanic: The Untold Story*, he has revealed that rather than genuinely searching for the doomed vessel, he was on a war mission for the military.

His job was to check on two toxic nuclear submarines – and used his chance find of the Titanic as his cover story, backed by the US Navy.

The Titanic – at the time the world's biggest passenger ship – left Southampton on April 10, 1912, bound for New York with 2,200 on-board.

But it hit an iceberg and sank in the North Atlantic Ocean five days later.

**SEXY** Preeti Young fancies herself a bit of an **EXHIBITIONIST** and once got down and dirty in a **CAR PARK**.

The 32FF beauty, from Lambeth, South London, might have got her public jiggy fix there, but she also harbours fantasies about bonking on an aeroplane.

Preeti, 27, said: "I once did it in a car park. I'd been underwear shopping with my boyfriend and he'd got a bit hot under the collar."

#### **Naughty**

"We were so horny we couldn't wait to get home to have sex so we got down to it right there."

"It was in the middle of the day as well!"

"I love the idea of joining the Mile High Club one day. I'd love to have sex on a plane – it's naughty and it must be so damn horny!"

"Maybe next time I'm away with my boyfriend, we might just nip for a quick one in the loo."

JAMIE: I  
DON'T  
WANT  
TO BE  
FAMOUS!

**CELEBRITY** cook Jamie Oliver says that he **HATES** being famous and wishes he had just stayed an unknown restaurant chef.

Strange from a bloke who only last year had two TV series and a Christmas special, to add to his umpteen cookery shows, healthy eating campaigns, recipe books, personal appearances and food ranges in the shops.

**Issue**

Oh, and appearing in front of a Commons select committee on the sugar tax issue with fellow celeb cook Hugh Fearnley-Whittingstall. Hardly the behaviour of a shy, retiring guy who hates fame!

nightmare and the multi-millionaire wants to return to anonymity. The Essex foodie, who released a best-selling book with his name in the title and uses his website to promote all his activities, told *The Observer Magazine*: "Every day I wish I wasn't famous." Dad-of-five Jamie

*(...bit late for that now, pal!)*

was spotted in 1997 by a BBC producer while filming a documentary at the River Café in London.

He was given his own show, *The Naked Chef*. Since then he's barely been off our screens.

One showbiz source added: "For someone who hates being in the limelight he's certainly a very busy man."

"Every day I wish Jamie Oliver wasn't famous, too!"

Aubergine wedged  
up bum for 2 days

**DOCTORS** in China have removed a foot-long aubergine from a man's intestines after he shoved the fruit up his rectum in a desperate bid to cure his constipation.

According to reports, the unnamed 50-year-old finally sought medical attention after leaving the 12-inch foodstuff in his body for TWO days.

The patient's exact location in China has not been revealed, but reports said he was treated on May 30 after his home DIY cure backfired.

The man told doctors he had been suffering from constipation and nausea for two days when he decided to insert the aubergine into his anus and up his rectum – in a bid to expand his colon.

Scans showed it had travelled up his large intestine and lodged itself in his abdomen.

## Dominatrix style puts girls on top

By BECCA STUBBS [becca@sundaysport.co.uk](mailto:becca@sundaysport.co.uk)

**WET-LOOK leather and thigh-high boots are some of the SEXIEST items of clothing women can wear to show off their curves.** But pop star Katy Perry didn't quite hit the mark when she recently sported a blue striped PVC-style outfit on stage.

Katy, 33, wore the odd get-up on her tour but the hooped leather one-piece, which she teamed with trainers, didn't quite get our pulses racing. However, there are lots of other girls Katy could take a few kinky style tips from...

Fellow Yank singer Fergie, 43, showed exactly how to do on-stage sexy when she wore a black leotard and lace-up PVC boots. Many of the *Midweek Sport's* top glamour girls have squeezed their ample curves into dominatrix-style lingerie, too.

Blonde bombshell Kayleigh Pearson wore nothing but black boots while Linsey Dawn McKenzie went the whole way and posed in a skin-tight PVC cat suit to flaunt her sensational figure.

Here's FOUR pages crammed with dominatrix-inspired looks...

RUTH Langsford has said she would help her hubby Eamonn Holmes die if he was diagnosed with a terminal or degenerative illness.

The TV presenter, 58 (above), recently said that he would commit suicide rather than face life with dementia.

Speaking on *Loose Women* yesterday, Ruth, also 58, said she would "want to help" Eamonn to take his own life if that was his decision.

"Because I love him I'd want to help him," she said, admitting it was a "controversial" topic.

She also called for assisted suicide to be legalised to give terminally ill people the right to die in their own homes.

Eamonn, who was handed an OBE this week, has 30% hearing loss, which means he has a higher chance of developing dementia.

Assisted dying is currently legal in several European countries, such as Switzerland – home of Dignitas – and some states in America.

**THE Nigerian film industry, or Nollywood, is the second largest in the world in terms of numbers of films produced.**

**NATURE** presenter Bill Oddie says he turned down going on *Celebrity Big Brother* because he "has principles".

The 76-year-old (*above*) told TalkRadio that, despite the mega money deal on offer, he rejected the chance to star in the Channel 5 reality show.

He said: "No offence to them or anybody else but I, for two seconds, I had to go 'argh' when you ask what the fee is, because it's ridiculous."

The former *Goodies* star also turned down *I'm A Celeb* insisting he's "not going on television eating wildlife".

**ALLEGED AFFAIR:** Donald Trump and Stormy (right)

By BECCA STUBBS [becca@sundaysport.co.uk](mailto:becca@sundaysport.co.uk)

**PORN star Stormy Daniels has reportedly signed a deal with a SEX ROBOT firm – to make life-like CYBORGS of her.**

Stormy, 39, who famously claims to have had an affair with US President Donald Trump, 71, has penned the exclusive deal with Realdoll.

She's apparently agreed to allow the California-based tech firm to produce realistic copies of her body and sell them to horny punters.

According to the Realdoll website the Daniels doll is "lifelike and made true to the porn model's actual measurements".

## Bucket

Costing around £4,500, Stormy could be set to make a bucket load of cash if sex fans lap them up.

David Levy, author of *Love and Sex with Robots*, said: "I mean Stormy Daniels, her business is selling sex in various ways. This is just another way."

"Obviously she's going to get a royalty from robots made in her likeness. If that's what she wants to do I see nothing wrong with it."

Realdoll makes and sells replicas of other adult porn stars, including popular hotties Asa Akari, 32, and Samantha Saint, 30.

One of their other firms, Realbotix, is a leading producer of talking sex robots whose personalities develop over time and with interaction.

# FORMER BLAIR AIDE ON SEX RAP

**A TOP Downing Street civil servant for Tony Blair has been accused of a sex attack on a barmaid.**

Mark Adams, 56 (*left*), spent six years at No.10 serving as high-flying Private Secretary to John Major and Tony Blair as Prime Ministers.

The former civil servant – who was awarded the OBE in 1997 – is accused of the sex attack after he

allegedly touched the woman over the age of 16 sexually when she did not consent. The alleged assault took

The alleged assault took place at a pub in the seaside resort of Tenby in Pembrokeshire, West Wales, on December 28 last year.

Adams, 61, of Portsmouth, appeared at Swansea Crown Court on the sexual assault charge.

He did not enter a plea and was released on bail to appear at a later date.

Adams worked at the heart of Government from January 1992 until December 1997.

A SECOND man has appeared in court following the gangland murders of Paul Massey and John Kinsella.

Steven Boyle, 35, shook his head and exclaimed: "I've got nothing to hide," as he was read the charges of murder and attempted murder following his arrest on Monday.

He was given a police escort to court by armed officers, who closed off several roads in Liverpool.

Boyle, of Heywood, Gtr Manchester stood in the dock at Liverpool Magistrates' Court yesterday as his co-accused Mark Fellows, 37, appeared via video link.

It comes after Mr Massey, known as Salford's 'Mr Big', was shot dead outside his home in 2015.

Kinsella (above), an associate of Massey's, died after being shot by a man on a bicycle while walking his dog last month.

It is expected the pair will be sent for a full murder trial at Liverpool Crown Court.

Both men were remanded in custody.

## McDonald's in small fries row

MCDONALD'S has been accused of ripping off customers to the tune of £33MILLION a year by selling portions of fries smaller than advertised.

A total of 29 of the 45 portions checked in major UK cities were under the chain's recommended weight, according to C5 consumer programme *Shop Smart Save Money*.

Servers are meant to gently shake the box from side-to-side and ensure that the fries are pointing down into the bag or box, and must fill bags to the correct weight.

### MOTLEY Crue rocker Tommy Lee has tied the knot for the FOURTH time.

Tommy, 55, married 31-year-old comedienne Brittany Furlan last week but she's just the latest in a very, very long line of smoking hot women the drummer has managed to charm.

#### Boobs

He popped the question to Brittany back on Valentine's Day and they clearly wasted no time in making things official.

And while his many ex-lovers might look a little different, it's clear to see they all have one thing in common – they don't mind getting their boobs out.

So here's the legendary star's stunning back catalogue of women with theirs on display...

**BRITTANY FURLAN**  
2017-NOW

COMEDIENNE Brittany started dating Tommy last June and he popped the question to his younger lover on Valentine's Day this year before marrying her last month.

**JESSICA HAHN**  
1988

AMERICAN model and actress Jessica, 58, reportedly had a fling with the drummer back in the late Eighties.

**DEBI DIAMOND**  
1993

YET another porn star Tommy got it on with away from the cameras when Debi, 53, reportedly bedded the rocker in 1993.

**JENNA JAMESON** 1998

ICONIC porn star Jenna, 44, mentioned the Motley Crue drummer in her autobiography and revealed they dated in the Nineties.

**PAMELA ANDERSON**  
1995-1998

ONE of the world's most iconic couples at the time, Tommy and Pamela, 50, had their sex tape released following their whirlwind wedding.

**NAOMI CAMPBELL** 2004

SUPERMODEL stunner Naomi, 48, met Tommy after the couple were introduced by mutual friend P Diddy and they enjoyed a short fling in 2004.

**CARMEN ELECTRA**  
1998

BAYWATCH babe Carmen, 46, unsurprisingly caught Tommy's eye back in 1999 and the couple had a brief relationship.

# PHONE BOX TO NIGHT CLUB!

*(But the dancefloor fills up a bit quick!)*

**A TOWN has turned its traditional red phone box into a tiny nightclub – complete with music system, glitter ball and lighting.**

Instead of making phone calls, the kiosk in Fore Street in Kingsbridge, Devon, plays records including Blondie's *Hanging On The Telephone* and *Telephone Line* by the Electric Light Orchestra.

The 8ft 3in-tall box became the 5,000th to be adopted from BT when Kingsbridge Town Council took ownership of it.

Only one person – or two at a squeeze – can fit into the kiosk, which has stood in Fore Street for 60 years.

Councillor Chris Povey said: "This red phone box is an important part of Kingsbridge's heritage and we were determined to keep it, but we also wanted to do something different with it – something eye-catching

By **CLAIRE HAYHURST**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

– so we came up with making it the world's smallest nightclub.

"Very importantly, it will also help raise funds for a Kingsbridge charity, which provides a vital service for the local community."

The most common uses for phone boxes in BT's Adopt A Kiosk scheme are art galleries, notice and information boards, book exchanges and to house defibrillator equipment.

## Food row ends in death

**A MAN** stabbed his house-mate to death during an argument over nicking his food.

Police were called to a home on Saturday where officers discovered a man with multiple stab wounds.

Investigators said they detained Nkhondo Mhango (below), 24, as he was leaving the home.

A police spokesman said: "The deceased man's girlfriend was also injured during the incident and transported to the hospital with non-life-threatening injuries."

The identity of the man who died, from Palm Bay, Florida, hasn't been released.

Mhango was booked into the Brevard County Jail on charges of second-degree murder and aggravated battery. He's being held without bail.

## #HOT 'N' HORNY

**SEXY** Stella Cox loves giving her postman a real thrill and says she enjoys horny fellas WATCHING her pleasure herself.

The Reading-born babe admitted she regularly gets her camera out for a kinky solo session and films every second of it.

And when 26-year-old Stella's postman arrives, he catches a good view of her 32D boobs.

She said: "I love sucking cock and f\*\*king."

"And the thought of being watched pleasuring myself is what gets me off the most. I love playing with myself in front of the camera, too."

"Sometimes I stand naked in front of the door just as the mail is arriving – to give the postman a pleasant surprise!"

"I'm sure he's seen everything because it seems to take him ages to push the letters through!"

"But I love the feeling of being in control and letting him have a sneaky peek."

## CROC EATS VICAR AT CHRISTENING

**A CROCODILE killed a pastor who was baptising followers near a lake.**

Protestant Docho Eshete was conducting the ceremony for about 80 people on Sunday morning at Lake Abaya in Arba Minch, a town in southern Ethiopia.

**Grabbed**

Residents and police said a crocodile leapt from the water during the baptism and attacked him.

The clergyman died after being savagely bitten on his legs, back and arms.

Witness Ketema Kairo said: "He baptised the first person and he

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

passed on to another one. All of a sudden, a crocodile leaped out of the lake and grabbed the pastor by his legs and hauled him into the water."

Another witness, who asked not to be named, said: "It was awful. The water turned red from the pastor's blood and it looked like it was boiling because of the crocodile thrashing about."

Despite huge efforts, fishermen and residents could not save Docho, local policeman Eiwnetu Kanko said.

They used fishing nets to prevent the crocodile from taking the pastor's body further into the lake.

The croc escaped.

## Love sued over bribe allegations

SINGER Courtney Love is being sued for stalking a woman who has a child with the ex-husband of her daughter.

Rock musician Isaiiah Silva was married to Frances Bean Cobain from 2014, but she filed for divorce from him in March 2016.

He has since had a child with Jessica Sullivan – who lived in the same house as the former couple in December 2014.

Sullivan has filed a lawsuit alleging that Love and her manager, Sam Lutfi, claiming they tried to bribe her to take Frances Bean Cobain's side during divorce proceedings.

In court documents alleging harassment and stalking, Sullivan claims Lutfi told her: "Your kid will be in an orphanage," and that he called her a "f\*\*king c\*\*t".

Love has been trying to retrieve a guitar that belonged to the late Kurt Cobain, but Silva fought to retain it during proceedings.

He alleged that in June 2016, Lutfi and Love, along with a group of men, tried to kidnap and kill him to take the guitar back.

## Navy plan for country with no coastline

LANDLOCKED Ethiopia is planning to build a NAVY.

The country, which has no coastline, disbanded its navy in 1991 after its then-province Eritrea became independent.

Prime Minister Abiy Ahmed said: "Following the efforts made to build capacity of our national defence, we built one of the strongest ground and air forces in Africa."

"We should build our naval force capacity in the future."

He said the military reforms should "take into account current fast-changing world and the socio-economic and political situation in Ethiopia".

A government spokesman was not available to comment on the reasons for the country's plan for a navy.

# Shark eats boy swimmer's TACKLE!

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**A TEENAGER died after having his COCK ripped off by a SHARK while out swimming.**

Jose Ernestor da Silva, 18, was attacked by the creature while he was bathing in water off the Piedade beach in Recife, Brazil.

Lifeguards patrolling the beach had told the teenager to come closer to the shore just minutes before the beast struck.

His mum had also told her son not to go to the beach after a horrific shark attack back in April where a tourist lost an arm and a leg.

A video posted online showed holidaymakers pulling the teen out of the sea, covered in blood from his wounds.

People were also seen frantically trying to keep him alive before the emergency crews arrive and rush him to the nearest hospital.

He later died after suffering two heart attacks as doctors tried to amputate a leg.

## Blood

An ambulance medic at the scene, Wagner Monteiro, said: "The shark bite amputated his femur and his penis. He lost a lot of blood."

The victim's mother, Elisangela dos Anjos, 42, spoke to Brazilian news websites and said her son had gone to the beach in secret after her worries about a repeat attack.

**KILLED: Teenager Jose**

She said: "He would go in secret, because he knew that I thought it was dangerous."

"I wasn't worried because I thought he was somewhere around the house."

"When I heard about it I went crazy – all the neighbours heard me screaming."

## ANGLER'S CATCH IS REEL-Y A MAN!

A FISHERMAN thought he'd caught a whopper – only to reel in a dead human BODY.

The angler, known only as Safari, was among hundreds of contestants at a match fishing contest on the Citarum River in Bandung, Indonesia.

He hooked something large but after two minutes of wrestling with what he thought was a large catch, a dead man's hand broke the surface.

Safari recoiled in horror after realising the catch was actually the body of a man that had sunk to the bottom of the river.

Police arrived at the event and helped to drag the body of a man ashore.

Officers are now trying to identify the person

fished from the river and are appealing to residents for more information.

They believe he'd only recently gone in the water.

Bandung Police Chief Senior Commissioner Indra Hermawan said:

"The corpse was first discovered by one of the participants in the fishing contest while waiting for his bait to be eaten."

"Soon, there seemed to be a burden on his hook. The witness though his fish was heavy, but it was a dead body."

"The victim has been taken to Sartika Ashih Hospital for an autopsy."

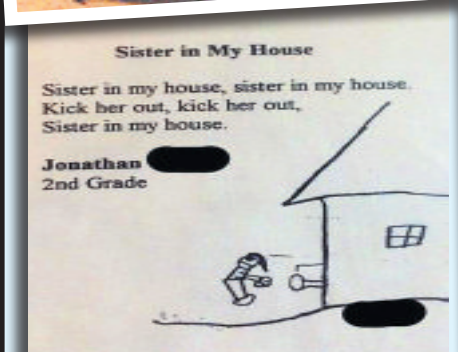

"From the preliminary investigation, what is certain is that there is no trace of violence on the victim's body."

# Charlize goes online in bid to find a fella

Charlize, 42, recently admitted she hasn't been on a date in three years and claimed her love life has been "non-existent" since she split from actor Sean Penn in 2015.

She says that reality TV dating shows are the closest she gets to a cosy, romantic night in.

However, she's reportedly grown tired of the single life and the mum-of-two (*above*) is allegedly looking online for a match.

A source said: "She's so gorgeous she can stop traffic, but can't find a decent single guy to go out with."

"It's not easy for a household name like her but she's been talking about hitting several upscale dating sites, where members are screened."

Oscar-winning babe Charlize has never been married but did date Irish actor Stuart Townsend for almost a decade.

## Scooter gang's watch shop raid

**ROBBERS** armed with hammers and knives rode in to a designer watch shop on scooters and made off with a huge haul of expensive items.

The group entered Watches of Switzerland on London's Regent Street yesterday morning.

One man was arrested, but Scotland Yard is still hunting others who are thought to have fled the scene on another scooter.

One abandoned moped was left lying on its side in the doorway of the shop, while another lay fallen on the road.

**Staff were still in the building hours after the attack, while the Met's Flying Squad investigated.**

# 2nd TEACHER HELD OVER SEX WITH TEEN PUPIL

## Scandal at same school

## A BIOLOGY teacher has been arrested over claims she had sex with a pupil.

Miranda Nicole Pauley, 34, has been charged in what is the **SECOND** case of teacher-student sex at the same school in just six months.

Pauley, who worked at Patrick Henry High School, was marched out of the building last week over an alleged affair she had with one of her pupils.

## Charges

She is the second teacher to be arrested on sex charges from the school in Ashland, Virginia, after Walter Summerfield, 45, was also charged in December last year.

Summerfield, an instructor with the school's Navy Junior Officer Training Corps, allegedly started an inappropriate sexual relationship with a pupil during spring break.

Hanover County Public Schools spokesman Chris Whitley called the news "disturbing".

In a statement he said: "We take these matters seriously. We became aware of the arrest this afternoon and referred it to our HR Department.

"We will continue to work closely and in full cooperation with the Hanover County Sheriff's Office."

After being arrested

last week, Pauley was fired from the school but was granted a £37,500 bond.

She is not allowed to have any contact with the alleged victim or with anyone under 18 unless accompanied by their parent.

Paulley must not leave the state of Virginia without permission from the courts and she is only allowed one visit back to the school to collect her belongings.

# SHIRLEY: I'VE HAD STRICTLY NO SEX FOR 3 YEARS!

**STRICTLY** Come Dancing judge Shirley Ballas says her **SEX LIFE** has dried up as she's on the hunt for Mr. Right.

The 57-year-old revealed her lack of action between the sheets has left her searching for a special fella who can give her a much-needed boost in the bedroom.

Now the former pro dancer, who's been single for three years, is keen to find a man to satisfy her.

When asked how often she got jiggy, Shirley (right) replied: "Not often lately, darling! I'd love to meet Mr. Special."

"I've been single for three years."

Brunette beauty Shirley split from her ex-husband and former dance partner

By **BECCA STUBBS**  
[becca@sundaysport.co.uk](mailto:becca@sundaysport.co.uk)

Corky Ballas, 56, back in 2007.

He explosively claimed that she cheated on him with at least 10 other fellas during the course of their 23-year marriage.

Corky previously said: "It was horrible. She was seeing whoever, whenever."

"She'd be at the studios and then disappear with the dancers. Then the studio manager would ring me

and tell me about it," Shirley joined *Strictly* last year after replacing Len Goodman as head judge.

She previously shot to fame after becoming one of the world's most decorated ballroom and Latin dancers.

## Coach

In 1996, former world champ Shirley hung up her dancing shoes and instead became a coach and adjudicator, before landing her 'dream job' on the BBC dancing contest show.

*Strictly Come Dancing* is set to return later this year and three new professionals have already been confirmed as additions to the series.

**Don: Oldies are using Johnsons more than ever**

ACTOR Don Johnson reckons elderly people are SHAGGING more than ever.

Don (above), 68, famous for his role as James "Sonny" Crockett in TV show *Miami Vice*, is set to light up the silver screen in new comedy *Book Club*.

The film centres on older people and their sex lives, something Don says is at an all-time high with OAPs.

He said: "It used to be you got into your 60s and it was over. We're exploring a new area."

"There's more senior dating and senior sex being had than among middle-aged people."

Hollywood icon Don also says retirement homes are rife with illicit bonks and bedroom hopping.

The actor added: "The concept of senior dating is something I've known about for some time. Not because of personal experience."

"I think *Book Club* is probably going to do more for the revival, or the nurturing of, senior dating, and people realising that life isn't over just because you turned retirement age."

## Check out Bella's bust

**BRALESS** Bella Hadid saw her **PERT PAIR** almost escape from her teeny crop top as she dared to bare.

Supermodel Bella, 21, wore a minuscule checked crop T-shirt while picking up some shopping.

But her boobs were perilously close to peeping out from underneath her very revealing top.

## OAP dies in 'bedding rope' escape horror

AN ELDERLY nursing home resident fell to his death after trying to climb down a makeshift rope from a third-floor window.

William Strasner, 87, died at the Emerald South Nursing and Rehabilitation Center in Buffalo, New York, police said.

Cops believe the OAP was trying to leave the facility down a rope made from bedding and clothing he had tied together when he fell more than 30ft.

An employee found him but he died on the way to hospital.

A police spokesman said patient windows normally don't open more than 7ins but a device used to secure Mr Strasner's window was apparently missing.

An investigation is now under way.

**KINKY Kitty Lea says everyone should have a THREESOME at least ONCE in their life – and she's talking from experience.**

Kitty, 27, from Lincoln, said she has had plenty of threeway sessions in her time.

And she gave her top tips on how to really enjoy being with two horny people at the same time.

The 30DD stunna said: "I've had loads of threesomes in my wild days and I think everyone should try it at least once."

#### **Boundaries**

"You need to share your attention between both the other people involved and discuss what your boundaries are beforehand."

"Some girls are really up for it – some you've got no chance with."

"So fellas, talk to your lady and see how she'd feel about sharing you with someone else."

"If she's up for an experience with another gorgeous woman, you could just sit back watch!"

# It's official... Bonkers Brits love romping!

Rachel Patrick says...

70% OF Brits surveyed have indulged in sexting

A LOT of people say we're a nation of prudes but this survey shows that it's just not true. I'm so glad folk are experimenting - I love trying out new things in the bedroom!

64% OF Brits surveyed have had a one-night stand

By JAYNE FERGUSON [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**BRITS are HORNIER than ever, according to a new sex survey.**

Boffins from British Condoms quizzed 500 men and 500 women on every aspect of their sex lives.

Following the rise of social media, a whopping 70% of those asked admitted to having indulged in sexting while 14% confessed to getting intimate over webcams at least once.

Quite surprisingly, only 16% of people said they'd met up with someone from an online dating site.

But 14% of them revealed they'd shagged someone they'd met through the internet.

When asked when the last time they bonked was, a lucky 7% of them said they'd had sex that day.

And, proving that most Brits are active between the sheets, only 5% of folk said they hadn't got frisky at all in the past 12 months.

A huge 64% had confessed to having a one-night stand and more than 14% had tried a threesome.

Despite threesomes being popular in the poll, less than 5% had taken things further and had an orgy.

### Self-loving

When it comes to self-loving, it seems Brits are still enjoying having an occasional solo sex session.

More than a quarter of those polled admitted to masturbating every day while just under 25% said they used sex toys to enhance their experience in the bedroom.

Frisky Brits were also getting sex on a regular basis with 8% of people confessing to bonking every week.

Although quite a high number of those asked did admit to cheating on a partner, with 22%

## Kirsty Mitchell says...

I'M surprised not many people have tried a threesome – the more the merrier I always say!

I love having loads of hands and mouths all over me – everyone should try it.

revealing their naughty sex secret.

In terms of experimenting with sex, 28% of those quizzed who recognised themselves as straight had in fact got down and dirty with the same sex.

As well as dabbling with the same sex, another 25% of people admitted to having a sexual fetish – which ranged from feet all the way through to watersports.

We asked three *Sport* sunniss what they thought of the results...

**5%**  
HAVE not had sex in the past year

## Cara Bailey says...

I'M glad I'm not the only one wanking off every day!

Reading this survey makes me feel better – now I just need to find a man who can satisfy my insatiable urges.

**If you smell well you'll  
have the best sex ever!**

**By BECCA STUBBS**

becca@sundaysport.co.uk

**A NEW sex study has revealed people with a stronger sense of SMELL are better between the sheets.**

So if you're always the first to sniff out the bacon cooking in the kitchen, the research suggests there's a good chance you have a better sex life too.

Results published in the Archives of Sexual Behaviour journal show that those people who have a better sense of smell experience more pleasure during sex.

## Orgasms

Women with a superior sense of scent even have more orgasms when they're shagging, according to the findings.

To conduct their study, researchers gave a scent test to 42 women and 28 men between the ages of 18 to 36 to evaluate their sense of smell.

Those who did the test then answered a questionnaire about their sex lives, including how often they reached orgasm and how often they got down to it.

Experts found that people with high olfactory sensitivity rated their sexual encounters as more pleasurable.

Although the study authors couldn't explain why having a great sense of smell could make for better sex, they did have their theories.

They thought that "the perception of body odours such as vaginal fluids, sperm and sweat seems to enrich the sexual experience".

## Aroused

In other words, you might want to take a few whiffs of your partner before your next romp in the sack.

*Midweek Sport* stunner Tanya Thompson said: "I love sex and I sort of believe this study because if a man smells bad then he's a no-go, no matter how good he looks!"

"There is a smell of sex and I can definitely smell when people are aroused or my fella's getting turned on, and it does turn me on knowing that.

"Although, I don't know whether I'm having it that a better sense of smell gives you better sex - I have great sex all the time!"

"I orgasm almost every time I shag. I'm just a natural in the bedroom and know exactly what I'm doing."

"It wouldn't matter how good my nose was if I was shit in the sack, let's be honest!"

## #MY SEX FANTASY

# 'I love the thrill of nearly getting caught at it...'

**EVER wished a woman came with a manual?**

Well, kinky Kate Jones has spelled out exactly how to get her engine revving!

The 34D babe has revealed exactly what turns her on... and it's pretty saucy stuff!

Glamour model Kate, 22, said she loves dressing up, having sex in public and even indulges in BUM FUN.

Kate, from Cardiff, said: "I've got an incredibly high sex drive. Some men just can't keep up and most can't handle me!"

"I love it when you meet a new person and you can't get enough of each other – you're just always at it."

"But sometimes that initial shagging fest dies out."

"And I'm the type of girl that, even though we might be months and years into the relationship, I'd still want it morning, noon and night."

"I love getting dressed up in the bedroom, too – it turns me on."

"I reckon it turns my lucky

fella on even more though!

"I have all kinds of outfits – from a naughty nurse one and a French maid to latex bondage numbers and a kinky policewoman with some very secure handcuffs..."

"I know I look good as a filthy dominatrix!"

"When I'm not parading round the bedroom with a whip in my hand, I love taking things outdoors for some wild al fresco action."

**Rude**

"Laybys, fields, even the cinema – I've bonked in them all and I love the thrill of nearly getting caught!"

"I'm partial to a spot of anal sex, too. I know some people are a bit scared off by it, or think it's a bit rude for them."

"But for me, I make sure I use lots of lube to get myself ready and once he's inside me it feels so pleasurable."

"And I love giving the guy that extra special treat!"

# THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

MY hubby's a salesman and he's always telling me that I should be thankful for all he does for me.

So I got a job of my own delivering for a local florist for a bit of pin money.

My first call was the house of a girl getting married and when she answered the door she was in stockings and sussions and I felt my minge moisten.

She was in a tizzy as she couldn't zip up her dress and her mum had gone out for some last minute blue garters.

She asked if I wouldn't mind helping her and I couldn't stop myself from feeling her boob.

To my surprise, she in turn slid her hand up my dress and her fingers entered my gushing gash.

The moment didn't last, as her mum got back shouting upstairs she'd got the garters but it was in turquoise, not the blue she wanted.

This was a fortnight ago and I don't know if I should try my luck again.

LJ, Warwickshire

Ashleigh says...

BE careful. You're both married women now.

Dear Ashleigh,

I CAME out of prison a week ago and found my mate had f\*\*ked off with my girlfriend.

I'm gutted as we'd been together for ages and there was never any inkling of anything being wrong between us.

I'd get visits every week without fail and there were letters almost daily.

I'm so cut up about this as I don't think I can survive on my own.

I was pouring out my feelings to my mother and she only told me to "Grow up an act like a man".

She said it wasn't the end of the world and that I should stop acting like a child.

But best mates don't come along every day, do they?

CB, Stafford

Ashleigh says...

NO they certainly don't. And yours acted terribly treating you in this way.

## How can I get to drill my sexy new dentist?

Dear Ashleigh,

I'VE always been afraid of going to the dentist's but now I just can't stay away from the bloody place.

The reason for this is because I've fallen for the new tooth doctor in our local precinct.

She's blonde and curvy, and the moment I set eyes on her I wanted to drill her.

As I sat in the chair she set about my gnashers like she really enjoyed doling out the pain and as I yelped in pain she filled my gob with metal.

I had this idea that in her private time she was a bit of a dominatrix, dressing in PVC and whipping mens' knobs.

Anyway, once it was all over I was off home and yanking one off the wrist.

Since then I've been back complaining of toothache at every opportunity.

The upside is that she brushes her big tits across my face as she delves deep into my cavities.

What makes it worse is I pay for my treatment and it's costing me a fortune.

Am I doing this right?

AP, via e-mail

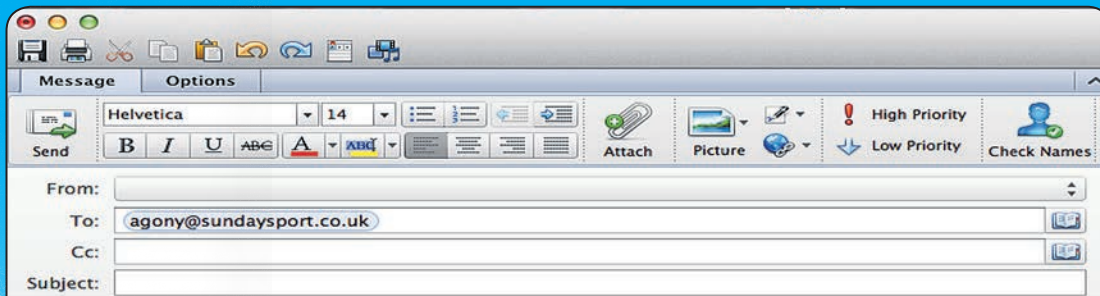

Ashleigh says...

WHY not just ask her out for a drink? If you carry on like this she'll have all your teeth replaced and you won't be able to afford to take her anywhere.

# My work's suffering after bonking mature students

Dear Ashleigh,

**I'M a geography student and on my university course are a couple of housewives who've signed on as mature students.**

One is 40 and blonde with a nice body. The other is 44, has dark hair and enormous tits.

I recently got to spend quite a lot of time with them as we had to do a joint project.

After a hard day in the library, with plenty of not too subtle flirting going on between us all, I invited them back to my flat to continue our work.

We cracked open some beers and were chatting when the blonde who was sitting next to me on the sofa suddenly leaned across and kissed me, unzipped my jeans and started playing with my knob.

Naturally, despite the surprise I soon stiffened up in response to her firm grip and slow but measured wanking of my tool.

The brunette then stripped off her jeans and knickers and and fiddled with her wet fanny while the blonde sucked me off slowly.

It was really only a few minutes she was doing it yet I was just about to come when the blonde stopped sucking, got up and started to enjoy lebo action with the other bird.

My cock was throbbing like hell as they peeled off the rest of their clothes, kissed each other's tits and licked each other out.

## Straining

At this point I got fully undressed myself and stood near them, my cock proudly standing to attention and glistening.

I was straining to have a go at both of them and I managed to enter the blonde from behind as she played with her pal.

I was shafting her nicely when the brunette took my hand and plunged my fingers up her dripping chuff.

It was difficult maintaining a rhythm as I'd never had a threesome before. But

I struggled through!

This sexual frenzy lasted through the evening and I lost count of the number of times I managed to bring them to orgasm and the number of times they did the same for me.

They explained that they had both fancied me from the start.

Neither had been willing to make the first move but they had egged each other on so much that they had decided to go for it together.

They enjoyed the night so much that we are now having regular shagging sessions.

But our work is suffering and we have all had warnings.

Any suggestions about how we can manage our time better?

*JL, Manchester*

**Ashleigh says...**

**YOU should all do your homework before you start your legover-work.**

Dear Ashleigh,

# Mum and girl romp was a bed-breaker!

Dear Ashleigh,

I'VE had some of the wildest sexual experiences of my life in the saucy seaside town of Blackpool.

I go to the Lancashire resort every year on my holidays and never fail to get my end away.

Last week I was there with some mates and we ended up at a club for a late booze, when all the other places had closed for the evening.

There were loads of busty women in those glittery 70s wigs and they were all dancing on the tables with their knickers on full view.

They really didn't give a shit what anyone thought, bless 'em!

In the club I copped off with a couple of tasty ladies who I later found out were mother and daughter – which blew my mind a bit at the time.

Well, they didn't really look like a typical mother and daughter – the mum was in pretty good shape, with nice tits and good legs.

I'd put the mum in her early 40s and her fit, big-titted daughter was about 23.

Anyway, we had a few beers together and a really good laugh. The pair of them swore like troopers and were soon headed back to my B&B for wild sex!

The girls stripped off as soon as we got to my room and we were at it for hours. The pair of them were so energetic we broke the bed!

Now the landlord is after me to pay for a new one, and I don't know the girls' address to ask them to ask them to help with the cost. Any suggestions?

*AS, Glasgow*

**Ashleigh says...**

IT sounds like you had a great night – you might as well pay for the damage, then you can look forward to your trip back there next year!

I HAVE a right terrible dilemma. I lost my job a couple of months ago but I didn't tell the missus.

I was on quite a good wage and so we never went short of anything.

We regularly ate out at weekends but now I'm afraid of what she'll do if she finds out I'm doing "other things".

The money we had saved slowly dwindled into an overdraft so to help matters I advertised my services on a website as a masseur.

It's now paying quite well and the bank are happier now that some money's coming in again.

It's a great job, too. Basically it's getting paid to shag women.

The women are nearly all in their early 40s, quite well off, and either have a busy job with no time for relationships or busy husbands who don't service them.

But last week one of my clients knew who I was and who my wife is.

Now she's threatening to tell all unless I do her sessions for free.

I don't have the time to carry on with her as she wants to see me on a daily basis. What should I do?

*DB, Bucks*

**Ashleigh says...**

SURE, you should have told your wife about losing your job. Coming clean now is what you need to do – and give her a good 'massaging' while you're at it!

## REE PETRA

**MECHANIC** Neil Fulwood wrote in asking for a snap of raunchy babe Ree Petra.

The 39-year-old owns his own garage in South London and his dream customer is glamour girl Ree, 31 from Ipswich, Suffolk.

Neil said: "I love tinkering about with old motors and fixing odd bits and bobs on cars but the majority of my customers are blokes."

"I'd love Ree to wander in and let me fiddle with her engine – seeing her 32GG's in the Sport brightens my day every time!"

## ROSIE LEE

**SALESMAN** Johnny Cooper reckons he can use his talk and his charms on busty brunette Rosie Lee.

The 46-year-old, from Hackney, North London, claims to have the gift of the gab and is confident he can talk stunner Rosie, 25, into bed.

Johnny says Hove-born beauty Rosie is the hottest girl he's laid eyes on and we think her 30G norks would be more than a match for Johnny's chat.

He said: "Give us a snap of Rosie would you – she's a real babe and I'd love to have the chance to get her into my bed."

"She'd never be able to resist my charms, I tell you!"

## SUZI STAR

**WE'VE** dug out a GORGEOUS photo of Suzi Star especially for Henry Farnborough, who's celebrating his retirement.

Henry, 66, wrote in telling us all about his years of service as a bus driver but he's finally hung up his hat and is looking forward to relaxing with his favourite newspaper.

And he says the perfect present would be a topless photo of 34-year-old Essex beauty Suzi – and we've found a jaw-dropping picture of her flaunting her 32D norks.

He wrote: "I love Suzi Star and I'm really looking forward to seeing her in the Sport again, if you'd fix it for me."

"It'll definitely keep my spirits up and everything flowing!"

# CHUNKY READY TO CALL IT QUILTS

## DeGale in retirement threat if Truax beats him in Vegas

**JAMES DEGALE has threatened to quit boxing if he fails to regain the IBF light-heavyweight title from Caleb Truax this weekend.**

'Chunky' challenges Truax for his old crown in Las Vegas tomorrow just four months after the American out-pointed him in one of boxing's biggest upsets last year.

The Londoner said: "This fight means everything and it's the most important fight of my career, so far.

"My career is in the balance. I'm looking to put on a performance and get back my title.

"If I can't beat Truax in a rematch, if I can't beat him and look good, then I've got to call it a day. Or I've got to consider what I'm going to do.

"The pressure is on because I cannot just win. It has to be a one-sided victory where I prove myself as the world's number one super-middleweight."

DeGale, 32, has also been wounded by critics who have written him off as a washed up boxer — harsh when you consider his catalogue of achievements.

He told Lillo's Ringpiece: "People have been saying some nasty, stupid stuff.

"It hurts, but people can only dream of what I have achieved — Olympic gold, British, European and world titles. People

think I am a shot fighter, but I have had two hard fights in my life — when I won my European title against Piotr Wilczewski and the draw with Badou Jack.

"I've read some stupid shit the past couple of months. I've lived with a grey cloud above my head for the past four months.

"I proved people wrong the whole of my life and I will do again. I have only got a couple of years and couple hard fights left in me."

Truax has won 29 of his 34 fights but appeared little threat to DeGale before his deserved win in London.

DeGale believes the new champion is a basic fighter, but expects his confidence to be soaring following the upset win.

"They made the right call on the decision in England, and I expect to be even more dominant this time around.

"I am planning to really just beat up James DeGale and get the job done in more efficient fashion this time," Truax said.

"Fighting in Las Vegas for the first time will be a very cool experience and I expect it to be friendlier than it was in London.

"There is a lot of pride on the line for me, being that I'm the first boxing world champion from Minnesota in a long time."

CHAMP: Truax

CROSSROADS: DeGale has a must-win fight in Las Vegas

## Nicholls plots one last outing for Corton

**HORSE RACING**

**BLACK CORTON** will have one more race this season — with trainer Paul Nicholls weighing up Aintree and Ayr.

The classy novice chaser has risen through the ranks this term.

After starting in a minor contest at Fontwell, he ended up winning the Grade One Kauto Star Novice Chase at Kempton on Boxing Day.

His partnership with another rising star — Bryony Frost — has been one of the highlights of the season.

The one dip came at Cheltenham last time where he came up a little short in the RSA Chase.

But it was still a respectable fifth place. Nicholls said: "He's just had an easy couple of weeks.

"There's a 3m1f Grade One novice chase at Aintree and there's also a £100,000 3m novice handicap at Ayr the following week, which is a new race and an interesting race.

"He could run in that actually.

### Free

"He'll run in one of those two, I'd say. We'd obviously like to run him at Aintree, but I would like to run him on some better ground, at long last.

"He ran a bit free at Cheltenham.

"We rode him to win and if we'd ridden him a bit conservatively, we might have finished third."

Another high-class Nicholls inmate — Polittologue — is also set for one more run before being put away.

But he won't come up against superstar Altior who lowered his colours with ease in the Queen Mother Champion Chase at Cheltenham.

Nicholls said: "He could run once more. He's definitely come out of Cheltenham OK.

"I'm not convinced now that Cheltenham suits him particularly well.

"A flatter track seems to suit him and he could well go for the 2m4f Melling Chase at Aintree.

"I'm not sure I want to take on Altior again, so if he went to Aintree we could wait and go to Sandown for the Celebration Chase.

"I don't see there's a lot of point in trying to beat Altior."

## Dominating to deliver

**MARK Johnston runners are usually fit and I am hoping DOMINATING (NAP) can do himself justice at Kempton on Saturday.**

A progressive stayer last season who was kept very busy like most of his inmates, who gave the look of being even better as a four-year-old.

He struck up a good relationship with tomorrow's rider P J McDonald as they have won each time they teamed up. His only two below par runs came at York which can be a track that is susceptible to the odd unexplained bad run.

Providing he has wintered well and is somewhere near fit I would hope he can make his presence felt in a race of this nature.

Earlier on the card at Kempton, Robert Cowell throws a few darts at the 2.05.

The one that stands out to me though is JUMIRA

By BEN MORGAN

BRIDGE. Recently acquired from the Roger Varian yard he looks interesting dropped in trip.

Varian did his best to make her stay further early in her career but she shows so much speed that 5f looks her optimum trip.

She doesn't like soft ground which is evident if you look back through her form so this surface should suit her better and with Jim Crowley booked to ride I suspect she is showing quite a bit at home.

Another filly with speed to burn is RAVEN'S LADY.

Marco Botti's daughter of Raven's Pass looks much more at home over 6f that she does 7f which she has proven a few times and it looks as if connections have given in to the idea that she is a strong staying sprinter.

Andrea Atzeni is an eye catching booking and with a

number of her rivals arguably looking exposed or on the downgrade, she may just improve past them and take this before setting her sights on bigger targets.

A trend is developing here as I also like another filly at Kempton tomorrow called SHENANIGANS.

A steady improver last year for Roger Varian who has been kept in training despite looking a good broodmare prospect.

Her form looks good and providing she has improved over the winter I expect her to make her presence felt here which could cap off a good day for Andrea Atzeni.

# Injured brothers Brown and out in triathlon

## OLYMPIC ACES FAIL TO WIN ANY MEDAL DOWN UNDER

**THE Brownlee brothers refused to blame injuries for their poor show in the triathlon.**

The Yorkshiremen were expected to bring home a Commonwealth Games medal but defending champ Alistair couldn't run properly because of a calf strain. He finished a disappointing 10th while brother Jonny came home seventh.

He also had more than his fair share of injury niggles heading to Australia.

South African Henri Schoeman got the gold with Aussie Jacob Birtwhistle in

By SEB FOSTER

second place. There was some British joy as Scot Marc Austin threw the form book out of the window to pick up a bronze.

Alastair Brownlee — who has two Olympic golds to his name — led after the bike race but quickly dropped back.

He said: "About three quarters of it went alright. I knew I was going to struggle on the run and I was down-playing my chances."

"I've only run a handful of times in the last month or so."

"The last few weeks has

been making sure the calf is alright to make sure I could get round properly."

"The swim and bike went well and I was just trying to pull that gap out as much as possible to give Jonny the best chance."

### Missed

"It was a shame it didn't work out for him."

Jonny was not happy with his performance either.

He said: "It was pretty terrible today. I didn't feel great. I've had ups and downs and I was injured in January so I missed a lot of training but I thought I was

going to be a lot better than that."

"I dived in and felt pretty weak on the swim and then I'm normally one of the strongest on the bike but I didn't feel great. Then I started running and thought 'oh dear, I'm in trouble here.'"

"I knew Henri was in good shape and my first thought was 'I wish I was fit' because I would have gone with him."

"I had a stress response in my femur at the start of January so I didn't run for five or six weeks. I'm trying to get my injuries out of the way now."

Austin admits he's

shocked by his performance on the Gold Coast.

He was just 22nd four years ago but got on the podium this time.

He beamed: "I was obviously scared to dream about that kind of thing because it's way beyond what I've done before but I knew I was capable of it."

### Modest

"I thought, 'I could beat the Brownlees here.'"

Despite their modest display and injury concerns, the Brownlees will compete in Saturday's team event for England.

SUSPENDED: Warner

## Warner takes his year ban on chin

### CRICKET

DAVID Warner managed to keep himself from blubbing as he accepted the 12-month ban from Cricket Australia for his role in the ball-tampering storm.

It looks as though the former vice-captain is still thought to be the ringleader in the plot to sandpaper the cherry in South Africa.

Warner said: "I have today let Cricket Australia know that I fully accept the sanctions imposed on me."

"I am truly sorry for my actions and will now do everything I can to be a better person, teammate and role model."

All the men involved in the scandal — opening batsman Cameron Bancroft and captain Steve Smith — have now accepted their bans.

The former will be out of the game for nine months as the junior member of the conspiracy.

Smith will be missing for a year and there has to be a doubt about whether he will ever captain his country again.

### Pleas

After all the tears, there is now a campaign among the trio's fellow players to have the suspensions cut back.

But those pleas are likely to fall on deaf ears as Cricket Australia throws the book at the terrible trio.

Chief executive James Sutherland said: "The events of Cape Town have severely affected the game."

"It has also been humbling to be reminded of the passion all Australians have for our great game."

"These are significant penalties for professional cricketers. They were not imposed lightly."

Sutherland has left the door open for all three men to resume their Test careers once the suspensions have been served.

The Aussies will want to get Smith in particular back in the team as many people regard him as the best current batsman in the world.

Sutherland said: "We know the players will return to playing the game they love, and in doing so, we hope they rebuild their careers and regain the trust of fans."

OFF THE PODIUM: Jonny Brownlee

Bournemouth v C Palace

Saturday, 3pm kick-off

ROY Hodgson is taking it one game at a time as he tries to keep Crystal Palace in the Premier League.

After a terrible start to the season under Frank De Boer the former England gaffer looked to have steered the south Londoners to safety.

But a run of injuries and defeats to top-six clubs have dropped the Eagles right back into the mire.

They kick off against Bournemouth in 17th place, just two points above the drop zone.

Hodgson says he's not constantly looking at the league table as he hunts for points.

He said: "I don't look to Stoke or at games on paper.

"I don't look at games and think we won't get points there, or we will there.

"All I ever do, is prepare for the game ahead and try and do as good a job as possible in preparing the team for what they are ready to face."

It took a late Mo Salah goal for Liverpool to win at Selhurst Park last weekend after the home side had gone in front.

### Bounce

Hodgson admits it's disappointing to throw away such a lead.

But he's backing his players to bounce back at Dean Court.

He added: "You have to get over that quickly and you have to move on and think about the next one.

"Of course, you learn lessons from it, but we didn't concede because we were tiring or because they were getting on top of us."

Hodgson is expecting a difficult afternoon against Bournemouth who are having another excellent season.

He said: "They are a very good team unit.

"The manager and his staff have done an excellent job in fashioning a team and their recruitment has been geared towards the type of football they want to play.

"They are hard-working and a good passing side, and their position of strength has got greater in the Premier League with each passing year.

"They have a stability and core of values that they have exploited very well to become a bona fide middle of the table Premier League side."

ALL SQUARE: The Etihad Derby is destined for a draw

**LIVERPOOL are 9/2 (from 8/1) at BetVictor to win the Champions League after their 3-0 win against Man City on Wednesday — an occasion that showed the best and worst of the fanatical Reds' support.**

City are 4/1 to qualify for the semis and Pep Guardiola has a difficult decision to make tomorrow on what side he selects for the Manchester Derby.

It is well documented that City will win the title if they beat their neighbours but confidence must have taken a bit of a knock at Anfield and Jose Mourinho and all United fans will want to rain on the City title parade at the Etihad.

United have lost eight of their last 13 PL games against City who are looking to do the double over their neighbours for the fourth time. City have won their last 14 league homes but will they have one eye on Tuesday's CL second leg as they try and overturn a three-goal deficit.

City have drifted to 20/21 to win at the Etihad with United 3/1 and the draw at 27/10 at BetVictor. The Red Devils have only won one of their last 10 away games against fellow "big six" sides but this looks a good opportunity for Mourinho's side who I feel can get a point from a 1-1 draw, which is 13/2 at BetVictor.

Earlier in the day Liverpool make the short journey across Stanley Park and a meeting with an Everton side who will play with more passion and commitment than they did against City at Goodison last weekend but do they have the class to hurt the Reds?

Liverpool are likely to be without Mo Salah at Goodison but Dominic Solanke or Danny Ings would be admirable replacements and I am surprised to see Liverpool as big as 37/40 at BetVictor against the Blues.

That price could drift to odds against if Jurgen Klopp makes more changes to his starting XI but Everton lack the class and pace to trouble Liverpool who will want to finish runner-up in the PL — they certainly deserve to.

Four of the last five Derbies at Goodison have finished in a draw with the corresponding fixture last season decided by a single

## 1-1 DRAW AT 13/2 GETS CALL

Sadio Mane goal in the 90th minute.

Everton (16/5 at BetVictor) have not won a Merseyside derby since October 2010 — that is a run of 16 games. City have drifted in the market because they are playing a good United side and have just been beaten at Anfield for the second time this season.

Liverpool are playing a poor unbalanced Everton side, will be cock-a-hoop and are vastly superior to the Blues who will have to come out and, as a result, be vulnerable to Liverpool's brilliant counter attacks — why are they drifting?

Klopp's team selection will be eagerly awaited but, sadly, I cannot see past another Reds Derby win.

★ Nicky Henderson hinted on TV that his brilliant Champion Chaser Altior would bypass Aintree and the 2m4f Melling Chase next Friday to wait for Sandown and the Celebration Chase (2m) later in the month.

I feel connections are making a mistake and would love

to see the unbeaten chaser race beyond the minimum trip for the first time.

Fontwell report no problems for their card this afternoon although conditions will be testing (officially heavy) at the Sussex track.

It is very rare that a horse is dropped 4lb for winning but that happened to Morney Wing who was a lucky winner at Fakenham last time when both Potters Legend (won since) and Minella On Line fell at the last when clear.

Preference is for Wizards Bridge (2.35) who is 5lb higher than when scoring at Chepstow last time and that form has been franked by the facile Towcester win of runner up The Bay Birch. That was over 2m4f but he is a CD winner and has won from a higher mark previously.

I am a big fan of Robinsons (4.15) who made a promising return from a 22-month lay-off when third over today's C&D at the end of February.

If this were better ground, he would be something to bet on, but he still gets the each-way nod.

KEY MAN: Schelotto

## Hughton has whole Schelotto love for Ez

Brighton v Huddersfield

Saturday, 3pm kick-off

BRIGHTON boss Chris Hughton says Ezequiel Schelotto has been a revelation since coming into the team.

The Argie-born Italy international has forced Bruno out of the side with a series of strong performances.

After sitting on the sidelines, he has started Albion's past nine games and looks like a permanent fixture in the team.

Brighton could all but secure their Premier League future by beating Huddersfield at the Amex tomorrow.

And Schelotto will be one of the first names on the teamsheet.

Hughton said: "I think it has been about breaking his game down a little bit.

"If I look at where he played before, he played as a full-back but very offensive.

"He has got good energy. We want him to get forward but we want that off a base of being a good defender first.

"I'm not saying he has not been that abroad.

"But I think the teams he played for abroad probably had more licence and more scope to be more attacking.

### System

"All we have done is break his game down a little bit. The basis was always there.

"He is 28 years of age, he has played at a good level and good clubs.

"We knew he was a good player and it is just getting him into our system, that's all."

For Huddersfield, keeper Jonas Lossl believes two wins will be enough to keep the Terriers up.

That would give David Wagner's men 37 points.

The Danish international said: "For me it doesn't make sense too look too much at the table.

"We need to look at ourselves and the next game and we know we at least need a couple more wins to reach our target.

"The only thing we look at is the next game now.

"I am sure a lot of people would have an opinion on how many points we will need to survive.

"I would say it looks like six or seven more points will be enough.

"We had a very good game against Brighton last time and we need to take that with us into this match."

# EVERTON NO GO FOR MO

## Reds won't risk Salah against Toffees with City match on horizon

**MO Salah will be left on the sidelines for the Merseyside Derby after limping out of Liverpool's Champions League win against Manchester City.**

The Egyptian scored one goal and provided an assist as the Reds brushed aside the runaway leaders. But he went off in the second half after tweaking his groin. He's touch and go for the second leg at the Etihad and certainly won't be risked against the Toffees.

Liverpool gaffer Jurgen Klopp doesn't have a lot of options in attack if he wants to rest his other stars Sadio Mane and Roberto Firmino.

With Adam Lallana injured, it could mean a rare start for Dominic Solanke and Danny Ings up front.

Klopp knows the visit to Everton is important but he won't do anything to damage his chances of making the Champions League semi-final.

He doesn't have much choice in the heart of his defence with Virgil Van Dijk and Dejan Lovren his only fit centre-halves.

But there could be a place at left-back for Alberto Moreno with Nathaniel Clyne poised for his first start of the season on the opposite flank.

the second leg against City so is certain to face the Toffees — probably with Gini Wijnaldum as the returning Emre Can.

James Milner was excellent in midweek and could play although that's likely to leave him knackered for the second leg against Pep Guardiola's men.

Klopp is not happy about having such a high-profile game in between the two Champions League matches.

The early kick-off isn't helping the German's mood either.

### Tough

He said: "If we want to see games like this then the Premier League have to think about the fixtures."

"It should be something good the derby against Everton and not cause problems."

"We have to find players now for what a lot of people believe is the biggest game of the season for this club."

"I do not feel good about this right now."

"If I don't play my best XI against Everton then we know what happens."

"It will be really tough, probably Everton are happier about the game than we are and that's not fair."

Klopp was more positive about Salah and it looks like a minor knock rather than a proper groin strain.

The Reds boss said: "He said to me immediately after the game: 'all fine, all good'."

"I hope that's the case, we need to wait and hope."

## Sean takes it steady with crock keeper

Watford v Burnley

Saturday, 3pm kick-off

**GOALIE** Tom Heaton is back in training for Burnley and targeting a quick return to first-team football.

The Clarets keeper has been out since September with a shoulder problem.

Boss Sean Dyche confirmed that his No.1 will be available for selection soon.

He said: "The aim is to come back once, be a little bit careful and cautious, and make sure."

And Dyche is looking forward to taking on his former club Watford with both safe in the Premier League.

He said: "I had a fantastic time at Watford. 'Businesses change. That's it, they wanted a different manager in."

"Of course, if that hadn't happened, I wouldn't have what we've done here, so my glass is definitely half full."

"I think, season on season, the more experience you get, the better off you are for it."

"I've had a good mixture of experiences, as a relatively young manager, seven years in."

"When you think I've already had the sack, been promoted twice, relegated, and we're still in the Premier League, so quite a lot's happened in that time."

"I'm pleased with the personal side of it, but even more pleased with my staff and players — both clubs actually, I enjoyed my time at Watford."

# FOX JAMES NEEDS ACHILLES OP

LEICESTER have an injury crisis ahead of their clash with Newcastle.

The Foxes have lost Matty James for the rest of the season as he undergoes surgery on an Achilles problem.

But he's not the only one on the sidelines against the Toon. Boss Claude Puel confirmed a number of missing men.

He said: "Matty is having surgery on his Achilles."

"He will be ready for next season. It is not a big problem but he now needs patience and time to recover."

week. Wilfred Ndidi is also out. We have three solutions with Iborra, Silva and Choudhury also.

"We will see for Saturday. We cannot replace Wilfred's attributes, but we can with a collective response."

Newcastle have Leicester striker Islam Slimani on loan but he can't play against his parent club.

Puel is keeping tight-lipped on whether the hitman has a future at the King Power.

He said: "Slimani is a

Leicester player, like all of those on loan.

"We will have discussions about the situation of other players at the end of the season."

A run of good results has seen Puel nominated for manager of the month.

### Severe

The Frenchman is happy to be in line for the award so late in the season.

He added: "It will be a good reward for all the team, staff, at the end of the season with a good result and something good for Europe."

"Individual rewards are not

important for me." Newcastle are trying to get Mo Diame fit for their trip to the East Midlands.

He limped off against Huddersfield but the problem isn't too severe.

Boss Rafa Benitez said: "I decided to make a change because Diame was injured. 'I hope he will be fit to play against Leicester."

"He's been really important for us, but I will say again, Hayden and Mikel Merino can manage also his position really well."

"Hopefully, it will be nothing, and it will be a problem for me, but a good problem."

LOOKING UP:  
Carvalho

## Swansea want Carlos — even if they go down

West Bromwich v Swansea

Saturday, 3pm kick-off

SWANSEA have opened talks with manager Carlos Carvalho over a new deal.

The Portuguese boss was handed a short-term contract when arriving at the Liberty Stadium in December with the club rooted to the bottom of the Premier League.

They are now in the lofty heights of 15th and kick off this weekend three points clear of the drop zone as they take on West Brom.

There is an option to extend Carvalho's contract and the club is keen to trigger it.

Swansea have received a boost before the Hawthorns clash with the return to fitness of Sam Clucas.

He has shrugged off the knee injury picked up against Manchester United last week.

### Recovery

Carvalho said: "Clucas is ready — he is 100 per cent.

"Our medical department have done good work with us and he has made a good recovery. "I was concerned about it because his knee was very painful.

"But when we came back into training he was much better and then the scan showed nothing special.

"We are pleased because he is an important player for us. He

BACK: Sam Clucas

is half-midfielder, half-attacker and half-defender — so he is one guy and a half!"

West Brom have been extending contracts too with Gareth Barry being offered another year with the Baggies.

The 37-year-old has played 25 games this season, meaning he's entitled to the new deal.

But with the club in turmoil, there's every chance he'll turn it down.

Darren Moore is in charge of West Brom for the first time since Alan Pardew was sacked.

The former defender has been given the job until the end of the season.

He can call on club record signing Nacer Chadli after months on the sidelines with a thigh injury.

He has been training this week and is expected to be on the bench at least against the Swans.

And despite throwing his hat into the ring, Albion have no interest in making Mick McCarthy their next manager.

## Lingard determined to land second blow of week on City

**JESSE Lingard says Saturday's Derby with Man City is just another game.**

The United and England midfielder is not thinking about what will happen if the Blues win the match.

They will be crowned champions against their bitter rivals — something the Old Trafford faithful would find very hard to take.

Even if United win the game, City are 99.9 per cent certain to lift the title.

But Lingard doesn't want that to happen on his watch.

He said: "I think it's very

important that we have played them there before and done well so I don't see why we can't go there and do it again.

"The lads heads have to be right going in to that game and we have to be 100 per cent focused on our job and get the three points, because that's what we are playing for."

Despite everything that's on the line Lingard is trying to take his usual approach to the build-up.

He added: "You've got to see it as just a game because

if you let other things come in to play it might affect your performance.

"So you've got to go in to it like any other game and you've got the lads beside you and they're going to give 100 per cent so as long as we perform on the day we will get the three points."

### Strong

City welcome their neighbours feeling battle-scarred after their 3-0 Champions League defeat against Liverpool.

Boss Pep Guardiola must decide how strong a line-up to field in the Derby. The

Spaniard knows it would cap a pretty terrible week if United did something similar to Liverpool against his team.

But his players weren't just battered on the pitch — they were attacked off it too.

Pep has been talking about the "welcome" Liverpool fans gave to his team.

His No2 Manel Estiarte posted footage from inside the bus as bottles and missiles rained down on it.

He said: "It is going to happen, and it happened.

"I didn't expect that. I am new here.

## Barca ready to up offer for Eriksen

Stoke City v Tottenham Hotspur

Saturday, 3pm kick-off

**TOTTENHAM** will have to break their wage structure to keep Christian Eriksen out of Barcelona's hands.

The Dane has scored some high-profile goals this season as he form appears to have taken a giant step forward.

That's caught the eye of the Catalans who are ready to make him a megabucks offer. They seriously considered moving away from Philippe Coutinho and making the 27-year-old their prime target in the January transfer window.

That didn't happen but they will be back this summer — particularly if Eriksen has a good World Cup.

With Daniel Levy's £6million wages now revealed, Spurs will have to break their structure and offer the likes of Eriksen, Dembele and even Harry Kane big new contracts.

**SCRAPPING:** Lambert

### Bottom

The big striker is expected to start against the Potters after his miraculous recovery from injury weeks ahead of schedule.

Stoke boss Paul Lambert knows games are rapidly running out and his team are stuck in the bottom three.

City have Kurt Zouma back in training but the visit of Tottenham is likely to come too soon for the centre-half.

Lambert said: "I know

who's going to play already. The important thing is Kurt's back training.

"The lads who played at the back on Sunday were excellent."

Lambert insists that morale is high despite the league table.

He said: "Since I've been here I haven't had to pick the team up because of how well they have played."

"We just haven't got the results our performances have deserved. The lads have the belief we can do it and that's important to me."

"We need everyone to stand up and if we do that then we have a great chance."

The Scot insists his team won't be intimidated by the stars in the Tottenham line-up.

"I always look to win the next game, I don't target particular fixtures."

"You can win any game you go into."

"We are not cut adrift, we are in the fight to stay up."

know that is going to happen, they try to avoid it happening."

"I did not expect that from the Liverpool side, from the people."

"One year ago, something happened in Dortmund. We come here to play football and I don't understand this kind of situation."

### People

"The bus is destroyed. I didn't expect that a club as prestigious as Liverpool would do these kind of things."

"Of course, it is not Liverpool, it is the people — it was not only one, only two, only

three. Hopefully it doesn't happen again." City skipper Vincent Kompany is calling on Blues fans to give the Liverpool coach a warm welcome on Tuesday night.

He said: "I don't care one bit about the bus. We are professionals, most of us have seen similar things at different stages of our career."

"What's key is that you keep yourself in the tie. No-one at City will roll over in the next fixture."

"We will throw the kitchen sink at it. It's our place and we will have our own little reception."

There's the little meeting

with Jose Mourinho before that of course and the Portuguese is looking forward to spoiling the party.

He said: Manchester City is not important for me.

### Second

"Important for me is that, since the moment we left the first position and went to second, we stayed there for the whole season."

"We deserve to finish second in the Premier League."

"You all say the third, the fourth, the fifth, the sixth are all better than us, but they are not because we have more points than them."
